

Kindergarten Registration is Almost Here! 2019-2020 School Year

The Cohasset Public Schools will hold registration for kindergarten students at the Joseph Osgood School. Registration will occur on January 16, from 12pm – 3:00pm & January 17, from 8:00am – 12:00pm at The Osgood. To assist parents with the process, packets containing the necessary paperwork are available on the School District's Student Services web page (www.cohassetk12.org). Paperwork is labeled "New and Returning Student Registration Packets" and should be completed prior to arrival as there are a number of essential items that must be included.

This year the district has planned for five full-day classes and one half-day class, enrolling no more than twenty students per classroom. In the event more students register than there are seats, a lottery will be held in early March.

Parents will have the opportunity to join Principal Farrell on January 8th at 10:00am at the Osgood for an introductory meeting describing the differences between full-day and half-day programs. If parents decide to utilize full-day kindergarten, a deposit check in the amount of \$500 will be required at the time of registration to hold the student's placement. The cost of tuition may increase this year; it was \$3,500 last year.

Lastly, an Orientation is scheduled for May 23, 2019 at which time parents will be introduced to the full array of kindergarten activities covering items such as traveling on the bus, sample schedules, and helpful information to assist families with negotiating their student's entry into school. If you have questions, please call the Osgood School at 781-383-6117.

We look forward to welcoming you and your student to the Osgood community.

Lisa M. Farrell
Principal, Osgood School
