Dear Families/Guardians,

Your child's spring 2023 MCAS report will be available in Aspen on October 18. These MCAS scores include results from the MCAS tests, which were given in English Language Arts and Mathematics in grades 3-8 and 10, and in Science, Technology, and Engineering to students in grades 5, 8, and 9. For more information see the Parent/Guardian report for more details posted in Aspen. Instructions for accessing your child's MCAS report are below.

### ***Directions to access your child's MCAS report:***

*Instructions for downloading a report from Aspen are as follows:*

- 1) Log into Aspen <https://ma-cohasset.myfollett.com/aspen/logon.do>
- 2) Click on Family Tab at the top
- 3) Click on **Child's Name**
- 4) Click on Documents Side Tab
- 5) Look for MCAS Report

When reviewing student scores, students, families, guardian, and educators should keep in mind that:

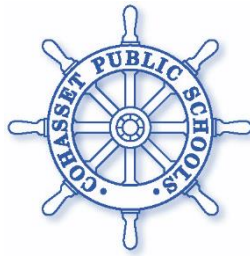

- This is one data point that a teacher uses to support student learning. Teachers use multiple measures to look at the whole student and determine individualized instructional support for your child.
- The district is using the overall MCAS data to create strong, grade appropriate instruction with just-in-time scaffolds when they are needed.

To learn more about the 2023 MCAS go to:

We encourage you to continue supporting your child at home. Check in daily with your child, ask questions about what they are learning in school, provide reinforcement, and spark their imagination. The Cohasset Public Schools is proud to collaborate with you to provide a great education for your child, and we appreciate your continued support in this effort.
