| <ul style="list-style-type: none">• Up to date software (Do not use Operating Systems that are no longer serviced)• Licensed device and software only | | | | |
| Other Considerations | | | | |
| <ul style="list-style-type: none">• Durable Carry Case with Identification• Insurance<ul style="list-style-type: none">○ Generally available at time of purchase○ Recommended as the district will not be responsible for theft, damage, or loss of student owned equipment | | | | |

Be aware that all devices and software will reach an end-of-life date. At that time due to either hardware or software limitations, manufacturers will no longer support future updates to a given device or Operating System (OS). For questions on how long a particular device, new or used, will be supported, check with the representative who you purchase the device from.
