

Greetings Cohasset Families,

Please see the information below regarding the town of Cohasset's positive COVID 19 rate and case count over the past 14 days.

**Community Report:**

As of January 21, 2021, the Department of Public Health (DPH) reports that the town of Cohasset's positive COVID-19 test rate over the past 14 days is 4.77%, with 65 positive cases out of **1427** tests reported. Under the new DPH metrics, the town of Cohasset is in the "Red" category for communities who have a population of under 10,000 who have more than 25 positive cases over the last 14 days.

It is imperative that we all follow the protocols of handwashing / hand sanitizing and wearing face-covering masks when appropriate to do so. Here is the [complete report](#) that was issued this evening, Thursday, 1/21/2021.

Sincerely,

Patrick Sullivan, Ed.D.  
Superintendent  
Cohasset Public Schools
