Building Happenings

- The 2nd annual Giving Tree will be in the main office starting 12/10/18. We have partnered with the Carolina House in Marshfield again this year to collect much needed items for the 17 homeless families currently being housed there. Please see the list of suggested items in need: ***CVS Gift Card, Grocery Store Gift Cards, Hats, Scarves, Gloves/Mittens, Socks***. (Any piece of clothing can be sizes ranging from three months to adults, male or female). The collection will take place from 12/10—12/20/18. All items will be displayed in the main office on the Giving Tree. Please consider helping us fill the tree!

Your kindness and generosity are greatly appreciated!

- There is a surplus of lost and found clothing. If your student is missing any items of clothing please ensure they check the lost and found table outside the main office before the holiday break. Any clothing not claimed by 12/21/18 will be donated.
- As a reminder no student should open the door for anyone, including parents. As much as we want to be courteous, all guests must sign into the building for security purposes.
- **Hour of Code Events at CMHS!**

Middle School and High School Hour of Code events were held in the CMHS Library Learning Commons during the 1st week of December (Computer Science Week). Using a variety of tutorials available at <https://hourofcode.com/us>, students learned how to code games, apps, and designs in a variety of coding languages (Scratch, Python, JavaScript, block coding, and more). While the tutorials were challenging, Mrs. Cerruti and Mr. Sasso, facilitators of the event, heard lots of “Oh, I get it now” and “Yes, I did it!” and “That was cool!” A good time was had by all! These events may have inspired some students to pursue additional education in coding via Mr. Sasso’s introductory computer classes and/or the Virtual High School’s computer programming course offerings available through Guidance. And it’s never too late to try Hour of Code activities on your own... just follow the link above to join in the fun!
