- **There is no school next week.** Enjoy your February Break!
- Please note that Apple watches and other wrist devices that can make phone calls, text, or access the internet are not permitted during the school day. If they come to school, they are to remain in backpacks and not be accessed as is the policy for cell phones and other personal tech devices. Students who need to contact parents may do so by requesting to use the classroom or office phone. Thank you for your support in enforcing this policy.
- Thank you to the PSO and participating families for a delicious staff luncheon. We feel very very appreciated and well-fed!

- Thank you for helping keep our students and staff healthy! If your child is sick, it is best that they stay home and rest. We look forward to their return when they are no longer contagious.
