April 26, 2019

- Computer-based MCAS continues at Deer Hill with our math sessions that begin this Monday, April 29th. Just a reminder that all MCAS dates are posted on our [Deer Hill calendar](#) on the school website. I know that our students will continue to put forth their best effort and show how their brains have grown this year. We are so proud of the work that they do each and every day.
- Tomorrow, Saturday, April 27th, is the town of Cohasset's Earth Day Clean-Up. If your family would like to participate, you can access more details [at this link](#) on the town webpage (including information on potential weather impact).
- Come celebrate the Deer Hill Community Garden with a garden party Friday, May 7th from 5-7! Please click [here](#) for additional information.
- Please remember that district policy mandates that students are to only ride buses to which they are assigned and may only get off at their assigned stops. As play dates increase during our warmer weather, thank you for being mindful and respectful of this policy. Additionally, students are NOT to be dropped off in the front parking lot in the morning. This is a safety issue.
- The next PSO meeting is Thursday, May 9th, at 9:30.
- On Monday you will receive a form asking for you to give insights on your child to be shared with next year's classroom teacher. This is a departure from previous practice where input has been directed toward the class placement process, and it is being implemented at both Deer Hill and Osgood. Please read the form carefully as it outlines this shift in greater detail.
- This week's PSO grant spotlight shines on 4th grade and a grant that was written by Mrs. Corkhum, Mrs. Moser, and Ms. O'Hara for Snap Circuits. Snap Circuits allow for hands on exploration of different types of electric circuits. Thank you, PSO and 4th grade science teachers!
- **Our next early release day is Friday, May 17th.** Students will be dismissed at 12:40 so that teachers may participate in professional development.

“Unless someone like you cares a whole awful lot, nothing is going to get better. It's not.” —[The Lorax](#), *Dr. Seuss*
