May 10, 2019

- **There is an early dismissal on 5/17 at 12:40.** Staff will be collaborating as we begin the class placement process.
- I'm pleased to share that today was our last day of scheduled MCAS testing. We will have final makeups next week. It was a smooth process thanks to the care of staff and students alike.
- **From Cohasset Middle School:** On Tuesday, June 11th, parents of incoming sixth graders are invited to meet the sixth-grade teachers at Cohasset Middle School. They will tell you about their classes and give you some tips to share with your students to help them make a smooth and successful transition to middle school. The evening will be held at 6 pm in the Learning Commons at the Cohasset Middle High School.
- Cohasset Youth Theatre will be performing Annie at Deer Hill School on Tuesday, May 14th and Wednesday, May 15th, at 7 pm. Please visit the [PSO website](#) for more information.
- As warm weather (hopefully!) approaches, please remember that students are welcome to have bottles of water in class. Please note that sports drinks, frozen beverages, and other drinks are not to be brought to school for consumption during class learning time.
- South Shore Art Center will be hosting the annual Festival on the Common the weekend of Friday, June 14th through Sunday, June 16th. Students are invited to drop off original artwork for display at the Art Center on Friday, May 10th, from 10-4 and Saturday, May 11th, from 12-4. One piece may be submitted per person. Mrs. Berman has worked diligently to return all artwork from our Favorites Night as they would make excellent submissions for the Festival.
- The next PSO meeting is Thursday, June 13th, at 9:30.
- This week highlights the final PSO grant that was presented by our PSO this year. The importance of unstructured outdoor play is so important to our students, and a grant submitted by Mrs. Salerno for playground balls, chalk, jump ropes, hula hoops, and other playground supplies supports our students' ability to enjoy their outdoor recesses. Deer Hill is so grateful for all of the PSO and CEF grants we received this year!

“Patience, he thought. So much of this was patience – waiting, and thinking and doing things right.” —[Hatchet](#), Gary Paulsen
