## May 24, 2019

- **There is no school on Monday, May 27th.** Happy Memorial Day! Two town events planned for this weekend are as follows: Saturday 5/25 is the dedication of the Healing Field across from Cohasset Harbor Inn at 1 pm. Monday 5/27 is the Memorial Day Parade. The parade muster is 10:30 at the Music Circus. Thank you to our Deer Hill students and community members who will be participating in and attending these events.
- Thank you so much to the families that have signed up to care for our garden over the summer. We have four 1-week slots still in need of filling. Please consider signing up (feel free to share the responsibility with another family). You may access the sign up by clicking [here](#).
- **The Deer Hill Chorus and Band will perform hold their Spring Concert on Wednesday, May 29<sup>th</sup> at 7 pm at the Deer Hill. Performers should arrive at 6 pm.** Students should plan to wear something similar to what they wore at the All-School Band Concert back in March. Doors will not open until 6:45 PM so that students can rehearse briefly before the concert; please do not plan to sit in the gymnasium while students are rehearsing.
- Important bus registration info from the Transportation Department: The bus applications were sent on 5/13/19 via BlackBoard to streamline the process this year. All bus applications along with the fee waiver form have also been posted to [www.cohassetk12.org](http://www.cohassetk12.org) under the Department/Transportation tab. As with last year, the deadline is June 1st before the fee per student goes up. Families **must** fill out an application even if they live within the boundaries for free bus transportation.
- There will be no June PSO meeting.
- This week highlights a new CEF grant that was just approved. To further our objectives with the Deer Hill Community Garden, the CEF has awarded Deer Hill \$2500. This money will be used to provide a year of curricular support and instruction from Holly Hill Farm for all grade levels as well as additional supplies including a garden shed. We are so appreciative of the CEF for their commitment to this inter-disciplinary program at Deer Hill that also builds our sense of community!

“Fern was up at daylight, trying to rid the world of injustice. As a result, she now has a pig. A small one to be sure, but nevertheless a pig. It just shows what can happen if a person gets out of bed promptly.” —
